Dr. David Greenberg, Postdoctoral Scholar at Bar-Ilan University

**The Zuckerman STEM Leadership Program attracts high-achieving postdoctoral scholars from premier universities in the United States and Canada to do research in STEM at Bar-Ilan University.**

**DURATION, FUNDING AND ELIGIBILITY**

Zuckerman Postdoctoral Scholarships will be awarded for up to two years. Candidates may apply to STEM departments in more than one of the 8 participating Israeli universities.

**ISRAELI UNIVERSITY  
POSTDOC TRACK**

→ Postdoctoral scholars receive a scholarship of **\$63,000** per academic year for up to two years.

Of this amount,

- **\$60,000** is provided by the Zuckerman STEM Leadership Program, of which:
  - > \$51,600 divided into monthly payments of \$4,300 for living expenses.
  - > \$8,400 towards relocation reimbursement for the first year.
  - > \$8,400 towards research and travel to professional conferences for the second year.
- An additional \$3,000 in research funds is directed to scholars through their supervisors at their Israeli universities.

- Postdoctoral candidates must be citizens of the United States or Canada or have a documented status that allows them to study and work in the US.
- Candidates must hold a PhD degree from a leading American or Canadian university, or if still studying for a PhD, must submit their PhD thesis before October 1, 2024. They should be planning to return to the United States or Canada to compete for an academic position.
- Postdoctoral candidates must obtain consent from a potential hosting supervisor at the Israeli university/universities to which they are applying.

**JOINT NORTH AMERICAN-ISRAEL  
POSTDOC TRACK**

→ Joint Postdoctoral scholars receive a scholarship of **\$63,000** per academic year for up to two years.

Of this amount,

- **\$60,000** is provided by the Zuckerman STEM Leadership Program, of which:
  - > \$51,600 divided into monthly payments of \$4,300 for living expenses.
  - > \$8,400 towards relocation reimbursement upon completion of at least one year of their two-year scholarship in Israel.
- An additional \$3,000 in research funds is directed to scholars through their supervisors at their Israeli universities.

- Joint postdoctoral candidates must be citizens of the United States or Canada or have a documented status that allows them to study and work in the US.
- Candidates must hold a PhD degree from a leading American or Canadian university, or if still studying for a PhD, must submit their PhD thesis before October 1, 2024.
- Joint postdoctoral candidates must obtain consent from potential hosting supervisors at both the Israeli university and the American or Canadian university to which they are applying.

APPLICATION DEADLINE: **AUGUST 15, 2024**
